## P3 USA, LLC

**Open Roles:** 1. Senior Management Consultant (m/w/d)

2. Supply Chain & Operations

Consultant (m/w/d) Agile Project Management

**About Us:** P3 was founded in Aachen in 1996 as a spin-off of the Fraunhofer Institute (for Production Technology). Today it is represented at 17 locations on 3 continents and works successfully with 1,000 engineers and consultants in the automotive, banking & insurance, IT & media, energy, rail & transportation.

P3 offers an open working atmosphere with flat hierarchies and a broad network to feel at home.

P3 members are doers, innovators, and solution providers.

Your personal and professional development are important to us.

Because our projects are versatile and varied - this offers a lot of opportunities to get involved and to develop professionally more quickly. Internships and team exchange with the P3 locations all over the world, as well as experienced coaches and mentors are available to our P3 employees at any time and support them in their personal development. In addition, there are further training courses and internal trainings.

The special P3 Spirit has retained its start-up culture despite the size of the company.

Our values are important to us, commitment, appreciation, customer orientation, flexibility, openness and of course network thinking!
